

22nd January 2018

Dr T S Chandrasekar
President
Indian Society of Gastroenterology (ISG)
INDIA

Dear Dr Chandrasekar

APAGE/JGH FOUNDATION CLINICIAN-SCIENTIST TRAINING FELLOWSHIP 2018

I am writing to draw your attention to a training opportunity for young members of your Society in 2018, which is being offered by the Asian Pacific Association of Gastroenterology (APAGE). This Fellowship is jointly funded by the APAGE and the JGH Foundation.

The APAGE is providing a Clinician-Scientist Training Fellowship for a twelve month period for a final year trainee or a recent trainee in gastroenterology or hepatology from one member country, to be taken in any other APAGE member country. The stipend is US\$50,000.

I have attached a file with the conditions of award and application procedure. However, prospective candidates are required to download the application forms from the APAGE website at <http://www.apage.org/trainingfellowship.html>

The closing date for applications is 1st June 2018.

I will be grateful if you could draw this to the attention of your members.

With kind regards

Professor Kentaro Sugano
President
Asian Pacific Association of Gastroenterology
