1ST NATIONAL CONFERENCE & WORKSHOP ON
**CLINICAL NUTRITION AND
GASTROENTEROLOGY**

24 & 25 March, 2018
Hotel Shangri-La, Bangalore

Dear Friends and Colleagues,

It is a pleasure to invite you to this 1st National Conference and Workshop on "Clinical Nutrition and Gastroenterology" organised by our department at Aster CMI hospital Bangalore. This is a theme based focussed mid term meeting of the Indian Society of Gastroenterology. Clinical nutrition is a neglected area in adult medical practice and there is a need to address the practical aspects in day to day practice.

This will be a unique meeting which includes a basic nutrition workshop and discussion on practical issues. Didactic lectures have been kept to the minimum and time largely devoted for interactive discussions. We have an experienced faculty from the UK and India which includes physicians, surgeons, intensivists and nutrition specialists.

I am confident you will have a great learning experience and we extend everyone a warm welcome to Bangalore.

Warm regards

Dr. Naresh Bhat
